APPSFREEDOM, INC.

ACCEPTABLE USE POLICY

This Acceptable Use Policy ("Use Policy") is incorporated into any Master Subscription Agreement (the "Agreement") and sets forth certain additional terms and conditions applicable to Customers', Users', and End Customers' use of the appsFreedom Platform. The terms of this Use Policy are governed by and subject to the terms and conditions of the Agreement. In the event of a conflict between the terms of this Use Policy and the Agreement, the Agreement will govern. Unless otherwise defined in this Use Policy, capitalized terms used in this Use Policy have the meanings ascribed to them in the Agreement.

By accessing and using the appsFreedom Platform, Customer, Users, and End Customers will not:

a) Impersonate another appsFreedom Customer, User, or End Customer or provide false identity information to gain access to or use the appsFreedom Platform or appsFreedom's Intellectual Property Rights;

b) Create and/or build a product or service competitive to the appsFreedom Platform, or a product using similar ideas, features, functions or graphics of the appsFreedom Platform;

c) Use or launch any automated system, including without limitation, "robots," "spiders," "offline readers," etc., that accesses the appsFreedom Platform in a manner that sends more request messages to appsFreedom servers in a given period of time than a human can reasonably produce in the same period by using a conventional on-line web browser or mobile application;

d) Modify or make derivative works based upon the appsFreedom Platform and/or appsFreedom's Intellectual Property Rights;

e) Disassemble, reverse engineer, analyze, decompile, modify, convert or translate the appsFreedom Platform;

f) License, sublicense, sell, resell, transfer, assign, distribute or otherwise commercially exploit or make available to any third party the appsFreedom Platform in any way;

g) Collect or harvest any personally identifiable information, including account names, from the appsFreedom Platform;

h) Use the appsFreedom Platform to send email spam or otherwise duplicative or unsolicited messages in violation of applicable CAN-SPAM laws;

i) Send or store infringing, obscene, threatening, libelous, or otherwise unlawful or tortuous material, including material harmful to children or in violation of third party privacy rights;

j) Send or store material containing software viruses, worms, Trojan horses or other harmful computer code, files, scripts, agents or programs;

k) Interfere with or disrupt the integrity or performance of the appsFreedom Platform or the data contained therein;

l) Attempt to gain unauthorized access to the appsFreedom Platform or its related systems or networks.
